## SUMMARY

Hello! My name is Handianto Ramdanu, but please feel free to address me as Dito. I am currently in pursuit of new career opportunities where I can leverage my diverse skill set. With a strong foundation in Creative Strategy, I excel at devising innovative solutions that drive success. My adeptness in Problem Solving enables me to navigate complex challenges effectively, while my proficiency in Good Communication ensures seamless collaboration and stakeholder engagement. My professional background is enriched by experiences in various roles, including Import Staff, Purchasing Staff, and Programmer. I am eager to bring my expertise to a dynamic new role.

## EXPERIENCE

### Programmer

02/2023 - 04/2024

PT. Prima Integrasi Network

- Engineered a cutting-edge middleware architecture, achieving a 30% enhancement in response times.
- Spearheaded a developer team to seamlessly integrate a third-party middleware solution, bolstering system dependability.
- Automated middleware application monitoring, slashing manual efforts by 25% and increasing operational efficiency.
- Conducted comprehensive knowledge transfer and training, empowering the team with heightened proficiency and effectiveness.
- Forged strong partnerships with cross-functional teams to diagnose and rectify intricate system issues, elevating performance and user satisfaction.
- Successfully deployed a novel middleware system, delivering a 20% surge in system productivity.
- Established and managed a resilient monitoring framework, guaranteeing 99.9% application uptime for mission-critical operations.
- Executed Backup and Restore operations for databases across multiple units within the Ministry of Finance, including DJKN, DJA, SETJEN, ITJEN, DJPB, LPEI, BPPK, LNSW, and DJPPR.
- Led Database Migration projects for the aforementioned Ministry of Finance units, ensuring data integrity and system continuity.
- Proficient in installing and configuring both Linux and Windows operating systems, as well as Oracle APEX development.

### Purchasing Staff

06/2022 - 12/2022

PT. Buana Maju Selaras

- Expertly managed and maintained purchasing database, guaranteeing precise records and punctual delivery of orders.
- Achieved a 15% reduction in costs through strategic negotiation of supplier contracts.
- Designed and executed a more efficient purchasing procedure, cutting processing time by 20%.
- Fostered interdepartmental collaboration to accurately determine and meet purchasing requirements, enhancing overall communication and operational efficiency.
- Conducted thorough audits to ensure strict adherence to purchasing protocols, maintaining a 100% compliance rate.
- Diligently prepared journal entries and generated regular financial reports to track and analyze purchasing activities.
- Partnered with clients to comprehend their objectives, ensuring the provision of products that align with their vision.
- Conducted comprehensive Stock Opname to maintain accurate inventory records.

### Import Staff

02/2018 - 04/2022

PT. Pelangi Samudera Luas

- Fostered lucrative alliances with global vendors, boosting product diversity and accessibility by 20%.
- Optimized import workflows, slashing transit durations by 30% and achieving substantial cost reductions.
- Instituted robust quality control protocols, cutting down on defective imports by 15% and enhancing customer satisfaction.

- Negotiated astutely with suppliers to diminish product expenses, elevating profit margins by 10%.
- Orchestrated seamless import logistics, guaranteeing prompt and precise order fulfillment across multiple destinations.
- Diligently maintained financial records and generated regular reports on fiscal activities.
- Expertly prepared PIB (Pemberitahuan Impor Barang) documentation for import notifications.
- Compiled Laporan Surveyor (LS) and Surat Keterangan Impor (SKI/BPOM) documents, ensuring compliance with import regulations.

EDUCATION

Engineer09/2013 - 12/2017

Gunadarma University - Bachelor of Science in Engineering

Crafted 2D game app & Android map app
