Jakarta, Indonesia, 13450

A dedicated learner currently studying Informatics at the Faculty of Engineering, Universitas Jenderal Soedirman, with a strong passion for Data Analysis, Data Visualization, and Web Development. Skilled in exploring data-driven insights and building meaningful solutions, with a proactive approach to both independent work and team collaborations. Eager to gain hands-on experience in real-world applications and contribute impactful solutions in a dynamic environment.

Work Experiences

Ultranesia - Purwokerto, Indonesia

Nov 2022 - Jan 2023

Website Developer Intern

- Analyzed and defined user and system requirements to guide the development of a tailored inventory management system.
- Developed a web-based inventory system using PHP, Laravel, HTML, CSS, Bootstrap, and MySQL, ensuring efficient tracking and management of inventory data.
- Collaborated closely with users to gather feedback, adapt features to their needs, and refine the system for optimal usability.
- Wrote and tested code to ensure system functionality, scalability, and user-friendliness across various user roles and requirements.

Education Level

Universitas Jenderal Soedirman - Purwokerto, Indonesia

Sep 2019 - Mar 2025 (Expected)

Bachelor of Computer Science, 3.73/4.00

SMAN 71 Jakarta - Jakarta, Indonesia

Aug 2016 - May 2019

Senior High School, Science, 89.38/100.00

Organisational Experience

Himpunan Mahasiswa Informatika UNSOED - Purbalingga, Indonesia

Jan 2021 - Jan 2022

Vice President

- Led and facilitated internal meetings to align team members, set goals, and address organizational needs, ensuring effective communication and collaboration.
- Assisted the Chairman in strategic planning and decision-making, contributing to the development of initiatives that supported the organization's mission and goals.
- Fostered a supportive environment by mentoring team members, promoting active participation, and organizing team-building games to strengthen relationships among internal members.

Himpunan Mahasiswa Informatika UNSOED - Purbalingga, Indonesia

Jan 2020 - Jan 2021

Communication and Information Media Staff

- Collaborated with team members to develop content strategies that aligned with organizational goals, ensuring timely and consistent updates across all platforms.
- Created visually appealing and engaging posts, graphics, and layouts to maintain a cohesive brand identity and attract audience engagement.
- Managed content for the organization's social media platforms, including Instagram, LINE, and the website, to effectively communicate key messages and updates.
