+6287768728483 | bucialphard@gmail.com | linkedin.com/in/alphardhafiz | <https://porfolio1-black.vercel.app/>  
Jakarta, Indonesia

A passionate Front-End Developer with hands-on experience in building web applications using modern technologies like HTML, CSS, JavaScript, and React. Skilled in creating responsive and user-friendly interfaces, with a strong focus on performance and best practices. Continuously learning and staying updated with industry trends to refine my abilities. Eager to contribute to dynamic teams and take on new challenges in front-end development.
