

Hi, I'm Andri Nurhady

Business Analyst

Business Process Analyst with over 8 years of experience in analyzing business processes, identifying areas for improvement and implementing effective solutions. Proficient in gathering, documenting requirements and translating business needs into technical specifications.

EXPERIENCE

IDE ASIA (PT. SOLUSI INOVASI BANGSA) – IT Business Analyst

Remote, Dec 2023 - PRESENT

Telkomsel Project (Incentive Engine) – Start with the Business Requirement (BR) and conduct requirement gathering to create the Software Requirements Specification (SRS). Collaborate with the UI/UX team to develop a mockup, then present the SRS and mockup to the client. Break down tasks for development team (FE,BE,QA) using JIRA, demonstrate the feature to the business users (client)

PT. SUNWELL SYSTEM TECHNOLOGIES – IT Business Analyst

Remote, Apr 2023 - Nov 2023

ERP Project (NEXUS) – Analyze the business process and system and translate it to business needs/ requirements, creating the UML, UI mockup. Lead and coordinate the development team (FE and BE) to create the feature and monitor the project progress using Project Management Software. Concurrently functioning as a Tester to minimize bugs.

CENTRO FOOTWEAR — Business Operations

Bandung, Apr 2022 - Apr 2023

Production Project – Enhance the effectiveness of the business process by utilizing appropriate documentation & coordination tools such as Trello and G-suite. These tools facilitate the sharing of information regarding orders, production progress, and more among stakeholders including internal teams, suppliers, and CMT

PT. ATEJA TRITUNGGAL — Process Engineer

Padalarang, Apr 2021 - Apr 2022

PT. SANTOS JAYA ABADI — Process Analyst & Improvement

Karawang, Oct 2015 - Apr 2021

Production Project – Analyze the business process, then initiate the plan to improve the business flow by implementing a new Standard Operational Procedure or using a new software. Conduct production data analysis to determine the next plan to reach production's target.
