

AZIZAH DWI APRILIA

Kelapa Gading, Jakarta Utara | +62 859 3961 8165 | azizahdwpr@gmail.com

Fresh-graduate Actuarial Science student at President University with knowledge in math and statistics. A well-rounded person who has interest in statistics, such as Data Analysis and I'm also interested in Finance. I'm committed to project quality, strong analytical, organization, and teamwork.

EDUCATION

PRESIDENT UNIVERSITY

2021-2024

Transfer Student In Bachelor of Actuarial Science – GPA 3.70/4.00

- I studied mathematics and statistics mainly in insurance, but I was more interested in statistics, so I joined the Data Analysis course of the Kampus Merdeka program.
- My thesis was about predicting stock prices to find out stock price patterns so that they can be predicted using Backpropagation Neural Network with python, namely Jupyter Notebook.

BINAWAN UNIVERSITY

2019-2021

Bachelor of Actuarial Science – GPA 3.87/4.00

- I studied at Binawan University until the 4th semester and then moved to President University.
