## WORKING EXPERIENCE

---

### PT. GoTo Gojek Tokopedia Tbk (Gojek), Palangka Raya

Nov 2022 – Present

#### *GoCar Driver*

- **Customer Service Skills:** Working as a GoCar driver demonstrates my ability to deliver high-quality service and interact with a diverse range of people. This skill is especially relevant for positions requiring strong interpersonal communication.
- **Time Management and Independence:** As a driver, I manage my own time and routes, which highlights my ability to effectively organize tasks and work independently to complete them.
- **Local Area Knowledge and Technology Proficiency:** My experience using apps for navigation and order management reflects a foundational skill in technology and precision in local area knowledge, both of which can be useful in various job roles.
